

# SOFIA PLAZA HOTEL

Business Hotel Sofia Plaza\*\*\* was found in 2007. Situated in a prime downtown location on Hristo Botev blvd., one of the capital's key and main boulevards, the hotel is in immediate proximity to the Central Train and Central Bus stations, with local and international schedules. Right on the door step we have a subway station and a bus and tramp hub that will take you directly, in no time, to all the parts of Sofia and to the financial and business quarters, to government institutions, to the commercial district and to the tourist sights. They are only 20 minutes walk away as well.

## SOFIA PLAZA HOTEL

Sofia Plaza Hotel offers a fantastic location and an ideal accommodation for business and leisure budget travelers.

We offer you a fair compromise in terms of value and quality. We focus in offering you what really matters, a comfortable, spacious clean room. Most of the time all you really need from a hotel is a hot shower, a good night's rest, friendly and helpful staff.

That's why, our limited service hotels offer rooms at very affordable prices by getting rid of costly full service extras that you just don't need and shouldn't have to pay for.

We consider ourselves a smart, low cost travel tool.
